

Thank you for your interest in Training @ FITFACE Training Academy!

We can't wait to get you started in your new beauty adventure with our Industry Accredited Training Courses. This Information Pack includes all of our current Make-up Training Options.

All of the course options you will find here are accredited by The Guild of Beauty Therapists, the largest trade body for the Beauty Industry in the UK. This means that upon successful completion of your training with us, you will have an industry recognised certificate allowing you to become insured and begin building your beauty business right away.

Please note, spaces are limited on each of the courses to ensure you get the best possible teaching experience in an enjoyable learning environment. Our course dates do book up well in advance so please do get in touch to secure your preferred training date as soon as you're ready to do so.

Good Luck! We can't wait to meet you!

MAKE-UP ARTISTRY

Make-up Artistry

At FITFACE we specialise in Make-up Artistry, teaching you everything we believe you need to know for success in your make-up journey. With all of our training sessions created and delivered by our Brand Owner and National Award Winning Make-up Artist Jade, you'll learn all the tricks of the trade from an industry professional who started out just like you, not so many years ago.

From skin tones to blending, contouring, and cut creases, our Accredited Make-up Artistry courses are currently available with two practical training options (details below). Both courses cover the same practical learning which includes 6 full make-up looks with each new look building on the techniques of the previous one.

Both course options also have a theory-based element which can be accessed online as soon as you complete your enrolment. It is recommended that this should take around 14 hours to complete and must be done ahead of your practical training dates.

The practical element of the training is available in two options.

Option 1:

2-day Bootcamp (4 looks) - £450

Option 2:

6-week Evening Course - £450 (one evening a week for 6 weeks, 5:30pm - 8:30 pm)

What's Included:

- A full professional brush kit
- Theory and practical elements of your training
- Ongoing support
