Testimonials

"Just wanted to say a huge thank you to Jade for doing my wedding makeup for myself and my bridesmaids on 23.07.21.

On the day itself Jade arrived in good time and made us all feel comfortable. She guided my bridesmaids through the process and gave them the option to choose what they would like. She also made sure they felt happy with the end result and they looked absolutely stunning! We all felt absolutely beautiful! She also gave us all a little touch up kit to use throughout the day. Jade is a total professional but is also a really lovely lady. I would highly recommend her for bridal make up. Never thought I would look and feel as good as I did and I owe some of that to Jade and her make-up skills. Cannot thank her enough!"

"I literally loved every second of my trial, Jade listened to everything I said / wanted and I trusted her and the process I even bought some of the products she used on me.

Then the morning of the wedding! Wow. Jade was utterly amazing. Had a laugh and a joke with me, 6 bridesmaids and the two mums.

She was the perfect match for the group and i truly enjoyed spending the morning of my wedding in her company.

Jade, thank you so much I will recommend you to everyone and anyone that will listen to me ☺"

"Highly recommend!! I've used Jade several times for makeup now and she gets it right every single time. Jade did mine and the girls makeup on Thursday for my wedding and it lasted right through till bedtime completely untouched.

Thank you lovely xxx"
